TOWN OF EAU GALLE**

**Introduction**

On December 13, 2004, the Eau Galle Town Board adopted a Town comprehensive plan, which is documented in a report titled “A Comprehensive Plan For the Town of Eau Galle”. Under Section 66.1001(4)(a) of the *Wisconsin Statutes*, future amendments to the comprehensive plan must also be carried out in accordance with a public participation plan, adopted by the Town Board, designed to foster public participation in the amendment process. The balance of this document describes the process to be followed by the Town to foster public participation in the consideration of amendments to the comprehensive plan.

**Part 1: Public Participation Activities and Procedures for Comprehensive Plan Amendments**

**1. *Background Materials***

The Town will provide opportunities for public review of materials describing all proposed amendments to the comprehensive plan, including the following:

- Printed copies of materials describing a proposed plan amendment will be made available at the Town Hall.
- Electronic copies of materials describing a proposed plan amendment may be posted on the Town website.
- Notification via mail and posted on the Town website of an optional survey that may be completed by current residents of the Town of Eau Galle.

**2. *Optional Public Informational Meeting***

The Town Board, at its option, may schedule a public informational meeting to be held prior to the required public hearing. The public informational meeting will provide an opportunity for the public to review maps and other information relating to the proposed amendment. No formal procedures or notice requirements are required for the informational meeting; however, the Town will provide notice of the meeting through its website and through publication or posting.

**3. *Public Hearing***

As required by Section 66.1001(4)(d), the Town will hold a public hearing on each proposed amendment to the comprehensive plan. The hearing may be held by the Plan Commission, Town Board, or jointly by the Plan Commission and Town Board. The hearing will include a presentation by the applicant describing the proposed plan amendment followed by an opportunity for the public to

comment on the proposed amendment. The Town Plan Commission and Town Board will consider public testimony provided at the hearing and any written comments submitted to the Town prior to the hearing during their deliberations on the proposed plan amendment.

**4. *Notice of Public Hearing***

The public hearing will be preceded by a Class 1 notice that is published or posted at least 30 days before the hearing is held. In accordance with Section 66.1001(4)(d), the notice will include the date, time, and place of the hearing; a brief summary of the proposed comprehensive plan amendment and/or a map illustrating the proposed amendment; a local contact who may be contacted for additional information on the proposed plan amendment and to whom written comments regarding the plan amendment may be submitted; and information regarding where and when the proposed plan amendment may be inspected before the hearing and how a copy of the proposed plan amendment may be obtained.

**5. *Notification to Interested Parties***

The Town Clerk will provide a copy of the public hearing notice and the proposed amendment at least 30 days prior to the public hearing to any person who submits a written request to receive notice of a proposed amendment under Section 66.1001(4)(f). The Town may charge a fee to cover the cost of providing such notice. In accordance with Section 66.1001(4)(e), the Town Clerk will also provide notice to nonmetallic mining operators within the Town; to persons who have registered a marketable nonmetallic mineral deposit within the Town; or to persons who own or lease property on which nonmetallic minerals may be extracted, if such person has requested notification in writing. The Town Clerk will maintain a list of persons who have submitted a written request to receive notices of public hearings under Section 66.1001(4)(e)(3) and Section (4)(f).

**6. *Plan Commission Recommendation***

The Plan Commission will make a recommendation to the Town Board to approve, deny, or modify the proposed amendment. The Plan Commission's recommendation will be in the form of a resolution approved by a majority of membership of the Plan Commission.

**7. *Town Board Action***

Following Plan Commission action, the Town Board will consider the amendment and the Plan Commission's recommendation and approve, deny, or refer the proposed amendment back to the Plan Commission. If approved, Town Board approval will be in the form of an ordinance adopted by a majority of the full membership of the Town Board.

**8. *Distribution of Plan Amendment***

If approved by the Town Board, printed or electronic copies of the amendment will be sent by the Town Clerk to the parties listed in Section 66.1001(4)(b).

**Part 2: Additional Procedures for Comprehensive Plan Amendments Requiring a Rezoning**

In some cases, an amendment to a comprehensive plan may be needed in order for a proposed rezoning to be consistent with the plan. In such cases, the Town Board may allow the public notice and public hearing for the proposed plan amendment and rezoning to be combined, if a combined hearing is acceptable to the

applicant. In such cases, the following procedures shall apply in addition to or in combination with those set forth in Part 1:

The notice of the public hearing shall be published and distributed in accordance with the procedures set forth in paragraphs 4 and 5 in Part 1; however, the public notice will include notification that the proposed rezoning will also be considered at the hearing. The notice will include any information required in a public notice for a rezoning by the Town zoning ordinance. The combined notice will constitute the first of the two (Class 2) public notices required for rezoning under the *Statutes*. The public notice will be published a second time one week after the first notice is published, unless a later time is specified in the zoning ordinance. The Town will also notify parties-in-interest as required by the Town zoning ordinance, and any parties that have filed a written request for rezoning notifications under Section 60.61(4)(f) of the *Statutes*.

The Plan Commission will consider and act on a proposed plan amendment before considering the requested rezoning, and a separate motion will be made for a recommendation to the Town Board on the plan amendment, followed by a motion to make a recommendation to the Town Board on the rezoning.

The Town Board will consider and act on a proposed plan amendment before considering the requested rezoning. A separate motion will be made for action on the plan amendment, followed by a motion to act on the rezoning. If approved, separate ordinances will be adopted for the plan amendment and for the rezoning.
